Dirty Dancing

You should meet my girlfriend Cher – she's a horny bitch! She likes to bet with me how many men she can pick up in a night. She usually wins!

When she goes out she dresses really provocatively. She wears stockings and suspenders, a short skirt and a crop-top, with her big boobs spilling out it.

CHERYL, STAMFORD

£60

No bra or knickers for her! She can just bend over or raise a leg to take some cock.

One Friday night there was a group of lads at the club. Cher put on a dirty dancing show for them.

Everyone could see everything on offer.

Then one of the lads joined her, rubbing her pussy in front of his mates. Then she smiled at me and took all three of them home.

I have a video camera over the bed, so I always get to see what she does. She started by sucking them off one after another.

Then she found the biggest cock and spiked herself on it. The other two lads were left to fight over her mouth and arse while she rode the big one in her pussy.

She got every hole filled, and ended up taking spunk up her cunt, up her arse and down her throat. She rubbed the creamy refuse over her tits, her pussy and her face.

Now, are you sure you don't want to meet her?

Richard, Stamford.

Sleepy head

Things got mega-dirty when my mate Lexi stayed over.

We've both been with our boyfriends for a while, and I was whinging to her about how mine wasn't that bothered with sex at the moment. Either he was busy working, or doing bloke stuff, or too knackered.

Lexi said when she realised that she and hers hadn't had a fuck for a month, she took charge.

He woke up at 3am to find her straddling his thighs and playing with his cock. She was wet and working her juices all over his shaft, and told him she was going to fuck him, whether he was awake or went back to sleep.

She's not shy of going into the filthiest detail, and I started to feel my own cunt swell up and moisten. At first, I was thinking about sex I'd experienced myself,

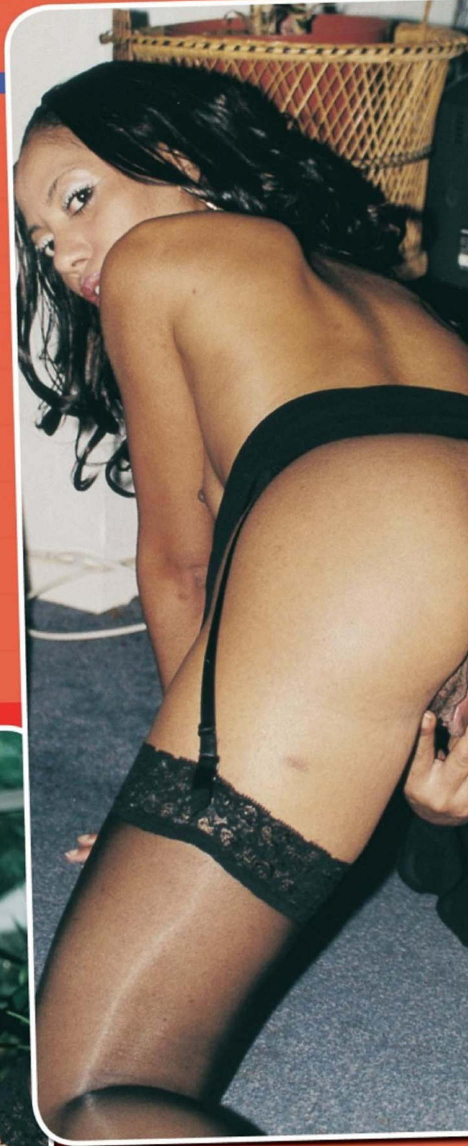
SHAUNA, SOMERSET



I TOLD HER TO SIT ON MY FACE SO I COULD EAT HER CUNT OUT TOO

but then I started to picture Lexi, tits bouncing and slapping all over the place and cunt spread open wide as she rode her bloke's knob.

I was too worked up to sleep and so, when we knocked back the last of our wine and put the lights out, I rolled over so my back was to Lexi's. Then I stuck my hand in between my legs, grinding slow and easy so I wouldn't wake her.

It wasn't just me who was turned on, though. Lexi must have thought I'd nodded off too because, next thing, I heard her frigging herself a bit more openly than I was.

I don't know who kissed who first, but we were soon tearing into each other.

Feeling up her body was so horny. I like to stroke my body all over and have a good play with my tits, so it felt sort of familiar but different!

But she went for my twat first, cupping my mound then, when I opened my legs a bit, bunching up three fingers and fucking them in and out. She was sucking on my nipples, sending sensations between them and my crotch, then she moved down so she could give my clit a bit of stimulation too. At first she fingered it, then pulled it so tight that her tongue was virtually twanging it as she started licking.

She got me all excited, but when she asked me what she wanted me to do next, I told her to sit on my face so I could eat her cunt out too.

She cocked her leg over, spreading her thighs until her snatch was right over my mouth, and I splayed her wide open, reaming my tongue along her slit and into her hole.

I just licked and fingered her as hard as I could, determined to keep on going until I got her cumming. It wasn't exactly difficult anyway – she'd always told me she was naturally orgasmic, and I could tell she wasn't lying or faking!

We sucked and finger-fucked each other to a whole load of orgasms, hardly sleeping until it was really light outside.

Then we had a shower together before going out to our local pub. Lexi was wearing a little miniskirt, but I resisted the temptation to stick my hand up it. We haven't told the lads either – I'm hoping it carries on, whether or not it stays our dirty little secret!

EMILY

"I take my little dildo everywhere – even up the arse!" laughs saucy student Emily (18). "I love to nuzzle it against my clit while I finger my pussy and I also get off sliding it up my arse while a nice fat cock jams up my juicy pussy. Once I lost it and I had to use the contents of my vegetable drawer in the fridge. Carrots and cucumbers are best but don't bother with celery – it just snaps. Now, do you want to see how quickly I cum?"

The Dyke Side

I'd been bi-curious for about a year when a lesbian mate of mine finally did something about it – fixed me up her ex.

Abi was cute rather than stunning, smiley with big blue eyes. Somebody who'd fuck for fun and not take it personally if my experimentation didn't work out!

I ended up at hers, just tipsy enough to stop being shy, and she took me straight to bed. She got on top of me, sliding a knee between my thighs, so it squashed my swelling cunt-lips against clit.

I watched her boobs jiggle over my face and then I kneaded them together around it, shaking my head from side to side.

As I sucked on her nipples, her hand trailed in between her legs. As she worked away at her clit, I rubbed up against her thigh, turned on when I felt her body tense then shudder with pleasure.

"Sorry, sweetheart, you just got me too turned on," she said. I didn't mind – I was sure I'd soon get to cum too.

She asked did I like toys and of course I said yes. Her latest find was this little golden bullet-looking thing. I couldn't believe it had enough oomph to get her off, but as she touched it to my pussy – just the outer lips to start with, I felt it had plenty.

"Just lie back," she told me – I had to hang on to the headboard to keep my hands to myself!

She kept on teasing me with the vibe all over the outside of my pussy, so by the time she skimmed it along the slot between them, I started squirming – and it only took about a minute for me to cum.

Next I said I wanted her to lick me, to just feel a woman eat my cunt.

She closed her mouth over my hole, sucking gently as her tongue flicked in and out, and her fingers worked over my clit. Every now and then I'd feel her swallow, and when the pleasure hit me full on, she strung it out for longer than I'd ever managed myself.

She knew a few more tricks as well, like hooking her fingers to catch my G-spot. I kept telling her to rub my clit as well but she just told me to be patient. And again it was a slow, warm build-up but when I finally climaxed I couldn't move and my pussy gushed.

When I saw the mate who'd fixed us up I gave her a big kiss. She asked if I'd "come over to the dyke side" and I smiled and said I'd be seeing Abi again very soon. And I can't wait!

LAP LAND!

CASSIE + KELLY

"My most erogenous zone has to be my tongue," says bleach blonde Kelly, with difficulty, as she seems to have swallowed half of best pal Cassie's pudenda. "Of course I love having my pussy poked, and a good hard cock up my arse, but it's never as enjoyable without a stiff shaft tickling my tonsils, or a hot fanny swirling all over my tastebuds," she continues, finally coming up for air. Cassie hasn't though, and continues to orgasm copiously and breathlessly as Kelly gives her tongue a rest and uses her equally dexterous fingers.

JANET, HULL

Settle up

We recently celebrated our silver wedding anniversary and my husband Phil booked us a cottage in Settle for a few days as his present to me.

The evening before our anniversary we went out to a local pub and I dressed up in my miniskirt, stockings and suspenders.

The pub was quite busy but I found an empty table and sat down while Phil got the drinks in.

£120

I soon noticed two guys in their late fifties sat at a table across from us looking at my legs, so I teased them by crossing and uncrossing my legs. Each time my skirt rode up further until my stocking tops were on show.

I was getting fruity and after a few more drinks I suggested an early night to Phil, so we rushed off back to the cottage but not before I had given the guys a good view of my stocking tops, bare thighs and the fact that I wasn't wearing panties!

The next morning, I got ready to do a photo shoot in the woods leading up to the crag at the back of the cottage where we found a secluded spot.

After putting down the travel rug, I started going though my repertoire of poses while Phil snapped away with the camera.

Once we had finished, Phil got me to use my dildo and I was soon getting very wet as I plunged it in and out of my open fanny.

Phil kept snapping away with the camera but I also noticed that he kept looking at some bushes just behind me and I'm sure I saw him signal to someone.

He asked me to get on my hands and knees with my bum high in the air and my legs spread, facing towards the bushes. Then he got a spare stocking out of a bag and said he wanted to blindfold me, like we had fantasised about sometimes in bed, so I went along with it and I was soon gasping as he pushed his finger into my tight bum hole while playing with my clit.

Then Phil told me a guy was watching from the bushes and wanking his big cock. I thought it was all part of his fantasy so I said: "Ooooh, how I would love his big cock up me!" Phil called out: "Come on Chris, she's ready for you."

Then, stretching my cunt lips apart, I felt another pair of hands on my arse cheeks and the tip of a cock start to push itself slowly into my pussy. I gasped out loud at the thickness of it and started to protest but

HE TOLD ME A GUY WAS WANKING IN THE BUSHES OVER US.

CONTACT ME

Phil said for me to enjoy it, as it was a surprise anniversary present.

Soon I was gasping with ecstasy as Chris started to pump into me with long hard strokes while Phil played with my clit.

I started shaking and sobbing as strong orgasms flooded my entire body and Chris pounded me with his lovely big cock. Soon, he stiffened even more and then flooded my willing pussy with a big load of spunk.

As his cock shrank inside me, he pulled out and Phil said I would lick and suck it clean for him.

So Chris stood in front of me and I took his cock in my hand and started to lick the cum off his bell-end.

Being blindfolded made it even more erotic as I sucked him back to full erection while Phil lapped away at the spunk running out of my cunt. I sucked Chris off till he spunked down my throat while Phil fucked me.

Phil removed my blindfold and I recognised Chris as one of the guys I was teasing the previous night. Phil had arranged it when I had gone to the toilets in the pub.

I can't wait to see what he comes up with for next year's anniversary.

Janet, Hull.

REAL WIFE SEX

Natasha, Milton Keynes

Bored at work? Natasha finds an illicit affair with her colleague helps the afternoons go quicker!

Now I've started shagging Ian, one of my colleagues, I've had to start bunking off for the first time since school.

We're both married so we nip off for some afternoon delight every couple of weeks. I tell myself it's doing the firm a favour. If I go too long without his cock it's all I can think about, so I get no work done. But a seeing-to gives me a big boost.

Even if we've only got a few hours, it's too good to rush. We usually fuck at my place – less chance of my other half coming home than his. We strip off and then he lays me down on the bed, licking me all over like we've got all the time in the world.

He kisses my mouth, then down my neck before tonguing around my nipples. Then he sucks them into his mouth and flicks them, till I can feel it pumping through my clit.

When he's ready to move down, he uses his fingers on my tits, pinching and rolling, then I'll do it myself, free his hands up. He licks my cunt all over, everywhere except my clit and in my hole, so I'm crying out for it.

My juices spread all over his chops

I've been trimming my bush since all this kicked off, not that my husband's noticed. But I like the feel of Ian tracing his moist tongue tip along the lines between the cropped hair and the smooth, naked flesh.

It's only been a few months but he knows what I need, sometimes better than I do. I'll be begging him to go down, give me a decent sucking, but he lets the tension build until I'm literally shaking. That's when he pulls me open and rams his tongue right in, smacking his lips and slurping away, juices spread all over his chops.

He likes it when I play with my tits, squeezing them so the nipples stick out hard between my fingers. Sometimes he feels the urge to suck on them again, wetting them with my cream. Then it's back down for more cunt licking, before it's my turn.

He likes to go on top. I'm a bit older but more senior – he doesn't answer directly to me, but he likes the idea of having Mrs Big-Shot Manager at his mercy, begging for his cock. But I can

play his games, too.

He'll be squatting over my body, hard prick bobbing within my reach, but I leave it as long as I can before I touch it. I love watching his face when I finally put out a hand. Even though it's just my fingertips along his shaft, he bites his lip. Then I slide his foreskin back.

He's got a beautiful big cock. It doesn't lengthen much when it's hard, but it swells right up, especially the helmet. I expose it all, dark red and suckable, moist at the tip – then dribbling more as I give it a teasing lick.

His pre-cum's the next thing that gets smeared on my nipples, only this time it's me who sucks them. Watching me gets him horny enough.

I do it slowly, so he can play with the other boob, rubbing his helmet up against my nipple, teasing it with the stiff centre and goosebumpy ring around them, especially his love eye and the little seam of flesh where his helmet meets his shaft.

He loses his cock in my tits

This is when his hand goes back and touches my cunt, stroking the outer lips then working its way in between them. More juices – all over my tits this time, so they're sticky yet slippery enough for a fuck. Time to shove them hard together so he can bury his cock – they're big enough he can lose it between them.

Once he starts fucking, I like to mould them, so the end of his prick pops out between them. Too low to suck and lick, but I know I'll get another taste of it soon.

We're still not going to rush things – he pulls out well before he's anywhere close

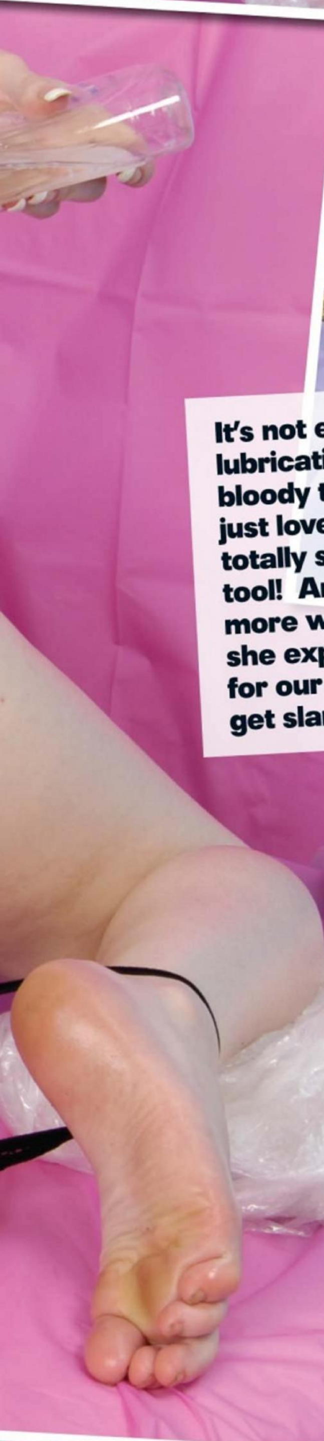
FRANKIE + CANDY

Top gentlemen's club Players in Maidstone played host to saucy little sex cakes Candy and Frankie reclining, entwining then brining the banquettes with sticky hot love juice. Luckily we were there to egg them on, and sponge the mess out of the upholstery. It's a good job these girls like being watched. "I didn't use to," purrs Candy. "Until the time my fella hid in a wardrobe and watched me play with myself. He revealed himself just as I was thrashing to a climax – I've never cum so hard. At least not until Frankie fucked my pussy just now!"

AMBER



It's not even as if Amber needs the lubrication. This 22-year-old is so bloody turned-on all the time! "I just love the decadent feel of being totally slippery, like a well-oiled sex tool! And I can always do with a bit more wet down there," she pants, as she exposes her swollen, shiny parts for our spellbound attention. "I like to get slammed all night if I can!"

SHE OFFERED MY HUSBAND HER ARSE!

We've been into swinging for a few years, so when we went on holiday to Berlin we thought we'd try and check out the swinger club scene there!

When we arrived it was obvious that as far as our choice of club went, we had made the right choice. We got in with no fuss, and it looked as if most people spoke English!

We were getting on very well with a German couple who were a little younger than us.

They were very interested in Britain and the swinging scene here as they were planning a trip. We'd chatted on much longer than we usually would in a club, so we all decided to take it on to one of the club's rooms.

The room we went to was basically a square, with a soft floor – not quite a mattress, but padded. I looked at out German friends as they undressed. Linde was firm and fit with smallish tits, and had blonde hair. She looked like she spent time at the gym. Lamarr was fit and firm-bodied too, with short brown hair and a big dick.

Linde took Richard's cock and wanked it so it was as hard as it could get, then licked up and down its length. I followed suit with Lamarr's dick. Already my juices were flowing and I was eager to get his cock rammed up me as soon as I could.

I took the lead and lay back on the floor. Lamarr wasn't ready to feed my hole his cock yet though, and began lapping at my shaven cunt!

As he paid attention to my clit I looked over at Richard. Linde was rolling a condom onto his cock – lucky cow, she was going to take his length!

I was surprised when she got on all fours and smeared lube onto her tight little arsehole though. She was offering my husband her arse! I watched as he eased his dick into her bumhole – I'd never seen him fuck another woman in the arse before, even though he'd done me there plenty of times! It was a sexy sight.

Lamarr filled my pussy with his meat in one slow thrust. His cock felt good inside me, and he began to pound away in steady strokes.

Linde was panting and calling out as she frigged herself while Richard fucked her arse. I reached over and fondled her nipples, and I knew this was the kind of thing that would send her over the edge! I was right – she wailed and panted, cumming on her fingers so hard that Richard's cock was squeezed out of her arse.

I was close to orgasm myself – but I tend to cum quietly. Lamarr fucked me steadily, pumping in and out with regular thrusts. Just the way to make my cunt quiver! I took another look at Linde.

She was flicking her clit while Richard fucked her cunt hard and fast. She started to cum again, and I could see Richard would be able to hold on. Then I saw from his face that he was there, pumping his mess into the condom inside her!

It was my turn – I couldn't hold it back if I'd tried! I convulsed with it cumming hard and long. As I relaxed back after the final wave Lamarr pulled out of my cunt and spewed a hot load of jizz over my stomach!

Irish frisky

I have been meaning to write to your mag for a long time now. I just love all your readers' letters in the adult mags.

This is just one of the many stories from my past which I think your readers will enjoy, from when I lived in Holloway a few years ago.

I had been in the merchant navy since I was sixteen and never married. By the late seventies I had enough saved to buy the flat I was after for years.

Although I don't drink or smoke, I did a quick tour of the pubs to pick up somebody even if it was only for the night.

I SNIFFED EAGERLY AT HER OPEN FANNY LIPS

One Saturday I sat beside this middle-aged couple who I now know were called Tom and Lily.

They had no children, Lily was from London and Tom was a big Irishman working on the buildings.

As I chatted to them about my seaman days, Tom got up to get a drink for Lily and himself and brought me an orange. While he was getting the drinks in, Lily, who was sitting on my right, put her left hand on my knee and told me I was a nice young man and very handsome. She also told me that she ran a dry cleaning service nearby and that if I brought my shirts to her Monday she would have them ready for me Friday at no cost.

As Tom was returning, Lily rubbed the front of my trousers, giving me a good hard-on, smiled and told me not to forget and that I wouldn't be sorry.

I was stunned because I had never experienced anything like this before.

Lily was not a looker with her dark hair and thin face, I noticed that she was bottom heavy with a big arse but had really good legs.

I love giving oral to a woman before giving her a good fucking with my thick eight-incher.

It was several weeks before I took Lily up on her offer.

I was working on the underground and doing a late shift that Monday so put six shirts in a bag and took them to Lilly.

There was a women chatting to Lily who left when I went in. Lily followed her to the door, closing the door behind her, putting on the Yale lock and turning around the sign to say they were closed.

Lily took me into the back room where everything was washed, ironed and hung up. Lily told me it was the only way she could have a quiet smoke for a few minutes. To my amazement, she put her hand on the front of my trousers and began to massage my cock, I immediately became as stiff as a poker.

There was a long wide table against the wall which Lily did the ironing. I grabbed Lily and laid her back across the width of the table, lifting her legs up to rest them against my shoulders.

She was wearing house slippers and nylons, her slippers came off with her knickers and I tossed them aside. I held Lily's knees apart and back to her chest to fully expose her pussy, which was really hairy.

£90

Lily called me a naughty boy, as I began to sniff eagerly at her open fanny lips and exposed arse. My cock was nearly bursting out of my trousers as I gave Lily's fanny and bumhole a good licking.

I opened my trousers and pushed them down to release my cock and Lily gave a long low groan when I pushed the head into her wet and waiting pussy lips, ramming my full length up her.

The table was just the right height and I stood with my feet apart, thrusting hard into Lily for several minutes until I shot my load deep into her pussy as she reached climax.

Lily went to the toilet and came back, lighting a fag. I left her to it and went to work.

I had my shirts washed and ironed for free and a good fuck every Monday and Friday.

The Irish dance halls were in full swing then and I seldom left one without seeing a young Irish girl home. After a quick kissing session and a fingering, I usually managed to get my cock up her even if it was a quick knee-trembler in a doorway or down an alley.

They were great days!

X, Kent.

MEET 'N' CHEAT

SAMANTHA

If you had a gorgeous wife like this, maybe you'd keep her chained to the microwave and knock her up repeatedly so she'd never stray from you. Happily, Sam's husband is an enlightened fella who doesn't like to hide his light under a bushel. "He encourages me to go out, flirt with people at work and even fuck them – as long as he gets to hear about it!" grins the 28-year-old housewife from Yateley. "I even take pictures of me riding and sucking co-workers' cocks. They think I'm having a secret affair, but my husband knows everything! They'd be shocked!"

Docks are often dangerous, dirty, immoral places – which is exactly why we like them. Penny's husband Mike works at a packing plant in Humberside, flat out, while she waits for his lunch break and a quickie before his sandwiches. She's not worried about getting caught. Dear Julia
Hey there! Any chance of seeing more well-spread shaven pussies? My all time fave pic is one of Lynn from Bristol in vol 28 no 5.
G, by email.

Bare-ly legal

Julia says: **You mean this one, G? Hairy or barey? Hirsute or bald as a coot? I can never decide how I prefer my fanny fuzz. Maybe I should give myself a half and half. Then again that would leave me with a pussy that looks like Mr Baxter out of Grange Hill. (*Topicality alert – Ed.*)**

DEAR JULIA

Dear Julia
Kitty (from vol 32 no 11) is exactly the type of girl next door I buy *Escort* for – fresh faced, looks like a good laugh and dirty as hell by the sounds of her table dancing exploits. More Kitty!
Matt, Notts.

A nice bit of Kit

Julia says:
Glad tidings! You can see more of Kitty's slitty in next month's Christmas issue. So rest easy until December 14th!

Dear Julia
You published the sexiest cover I've seen for a while of Samantha Bentley acting the horny little devil! And the letter from Dee of Lancs describing her trick and treating at a Hallowe'en party gave vol 32 no 12 a spooky feel. I had a real shiver up my spine as I unloaded on to Sam's big knockers!
JJ, Darlington.

Pump my pumpkins!

Julia says:
I'd go bobbing for these apples!

REAL WIFE SEX

Natasha's story continued from page 21

to cumming. I can cum as often as I like, though, so while he calms down – well, just a bit – I jam three fingers up myself and rub my clit with my free hand. Ian loves to watch me cum, loves how my snatch feels when it's all excited from an orgasm.

So now he touches it to my snatch, breathing in deep, trying not to let the little twinges I feel post-cum set him off too. And I moan so loud as he pushes in.

My other half's not a bad fuck, it just stopped being exciting after a few years. Shagging Ian reminded me how good it can be. The first time we fucked, I told him to push his cock in slowly, so I could concentrate, remembering every detail. I'm not saying we never have a quickie, but most times, he'll fuck me slow, so I can relish it.

For the first minute or so, he's buried in deep so he can feel my cunt around his shaft, how it stretches and tightens, how the muscles spasm as he kisses me or sucks my tits again.

It's time to kick things up a notch now – I hump myself against him and he starts thrusting, hard and fast. I play with my tits, giving him a show as he fucks me, wanking my nipples while my pussy clenches tight around his tool. He knows I love to be pounded deep like he does, so he lifts my legs right up to add more power to his thrusts.

He starts to finger my clit too.

I love to be pounded deep

Normally this would get me off fast but he can string it out, teasing and tormenting me until it's like every nerve is screaming.

I'm lying there like a rag doll, Ian looking down at me, fucking me gently at first. Then he speeds up – this is for him now. I don't touch my tits, I know he wants to see them bounce about as his prick gives my cunt a hammering.

I'm sensitive, it's still a bit too much

but I brace myself. The only unknown is where he'll cum. I like it inside me of course, but this time he's in the mood to cum on me.

He pulls out a fraction too late so I get the first jet at the top of my slit.

The first jet hits the top of my slit

It melts down over my clit, but he's already working up, trailing more spunk over my belly and to my tits. By the time he reaches my face he's having to use his hand, to wank and wring out the last few drops. He groans as I suck on his helmet, taking the last of it.

We've usually got time for one more shag, usually more frantic, before one or both of us leaves to return to work. Less suspicious if we're back in by the end of the day.

I don't know how long it'll be before things go tits up, or it all fizzles out. But until it does, I'm planning to enjoy literally every fucking second of it!

This is the first time Chrystal has been in a bongo mag, but it's not the first time she's made an X-rated exhibition of herself, surrounded by wide-eyed fellas with drooling chaps. "I was on holiday and thought I was going to make out with my man privately in a secluded sand dune," she admits. "It was only when we were halfway through it that I realised we had been causing quite a rumpy-pumpy rumpus with a big group of lads who started cheering us on! I just waved at them, flashed them my tits and gave them a good show of rampant rogering!"

The sub way

At a swingers club in South London, my husband and Master, Russell, ordered me to remove my blindfold. I was kneeling in the centre of the room and round me in a circle were five of the guys we'd met earlier. They were all naked, and all had hard-ons! “Suck the cock in front of you,” Russell commanded.

I crawled forward and took the erect prick to my front into my mouth. My pussy began to gush at the thought of possible having the attention of five men! I sucked on the cock for all I was worth, wanting to please my Master Russell.

“Move to the man on your right,” he ordered. I did as I was bid, and went right to the next man.

Just as I was getting into giving head to this guy, another command interrupted me. “Suck the next bloke!” I went to the right around the circle once again, and as before sucked this guy's cock into my mouth.

Soon enough I was stopped by a new order: “Move on to the next guy and tit wank him!” I moved on and placed the new guy's dick between my cleavage. I bobbed up and down, ensuring that as much tit-flesh as possible was in contact with his cock. On his up stroke I licked the tip of his dick – I love giving tit wanks! I wasn't allowed to enjoy it for long though. “Enough of that! Suck the next man.”

I did as I was told and eagerly – as I wanted to please the Master – moved on.

“Time for you to get what you deserve!” Russell said. The thrill of his tone of voice sent shivers through my pussy – the idea of sex as a punishment for me being ‘bad’ is such a turn-on for me! “Get on all fours.” I did as I was told. I felt a cock press against my pussy and thrust inside. The guy in front held his dick for me to suck. “You may suck it!” Russell allowed.

FIVE OF THEM SHOT THEIR HOT JISM ON ME

Drama Cream

I'm a final-year drama student, and recently, I got cast as a total bitch in a in a play. Too bad the test audience at the dress rehearsal's feedback was that I was ‘unconvincing’ at times!

I got home in a right snit and got tea and sympathy off my housemate, Dave. He'd always had a bit of a crush on me so I expected him to tell me I was a brilliant actress and the audience didn't know shit. But he said, “To be honest, I can't see you in that role.” Weirdly, that was what I needed to hear to help me unleash my inner bitch!

I really laid into him, asking who the fuck he thought he was. He looked shocked, then said, “That's it – now if you can use that for the play…”

I grabbed him in a clinch, still trying to hang on to bitch mode. There was no sex scene in the play but I improvised! I had him on the couch, snogging him slowly, one hand positioned to frustrate his attempts to feel up my boobs, the other unzipping his flies.

I started playing with his cock, working it to stiffness. Then I got up like I was about to leave him in the lurch. Now he looked convinced, but I padded back over to him, and stripped off.

I used his prick to bring myself off, rubbing the head of it up against my slit, hand wrapped around it so he couldn't slip inside me even when I was cumming over the tip of it.

It was hot and pulsing against my palm, and he groaned out loud when I finally put him inside me, squeezing around him so he could only slip in little by little. I was so wet it was trickling out of me, but so tight as well, swollen and tender from my orgasm.

Once he was all the way in, I started to ride him, gyrating around as well as bouncing on his prick. I reached back to tickle his balls, then leaned forward to ask him – tits squashed up against his chest – if he reckoned a total bitch would take it up the arse. Somehow, he managed to answer, “Yeah… on her own terms.”

I could have ridden him but I got on all fours, arse in the air, both holes open to him. After he'd lubed my bum and his prick with lotion, he slipped in, inch by

HE PLUGGED MY ARSE WHILE I FRIGGED MYSELF

£90

There I was being fucked from behind while sucking another cock, with three other blokes around me, wanking over me!

I could feel that I would cum pretty soon, but the Master had other ideas. He barked some instructions and the guy fucking me switched places, and the guy I was sucking switched too.

Almost as soon as the new cock was in my cunt I was cumming though – I couldn't help it. My moans were muffled by the cock stuffed in my mouth, but Russell knew what I done. "For that you'll take your punishment like the disobedient slave you are!"

I knew what was to come, and loved the idea. One by one the guys shot their hot jism over me – over my whole body. My arse, my tits, my face – even in my hair! My Master is good to me!

At home, he commanded me to pleasure him, and even though my cunt was a little sore I could not refuse. Why would I want to?

inch, his big cock opening me right up.

As he started fucking in and out, I told him to stop, plug my arsehole and stay still, while I frigged myself to a cum. Then I told him to do me slowly, forcing him to pace himself.

When he finally hit a climax it was really intense, fingertips digging into my hips as he filled my arse with jizz. I slipped out of bitch mode for just long enough to let him enjoy it, then went off to bed, telling him he wasn't worth an all-nighter.

We didn't talk again until the night of the play, when I nailed the part. I nailed Dave too, out of gratitude for my good reviews!

Pamper Pumper

Recently I went on a midweek break at a spa, with my girlfriend Chloë.

There was a swimsuit rule in the steam room, but as she stripped me off, she said being caught starkers would be the least of our worries if someone walked in on us!

We were dripping wet within seconds, with fresh, clean sweat that made our naked bodies feel so slippery, Chloë's hands sliding all over my tits as she snogged me. Then she felt her way down, easing them under me to cup the cheeks of my arse as I splayed my thighs.

Even I got a waft of my own pussy scent, so it must have been full on for her as she knelt in front of me, burying her face in my crotch. The moisture was dripping down my body, over my clit, as her tongue rimmed over my labia, then jabbed inside. Then she started fingering my nub, fast and slippy but with the salt from our sweat giving more than enough friction.

Knowing anyone could catch us made it all the more sexy, and I started cumming so hard and so fast. My back was pressed against the hot, wet tiles and I almost slithered off as Chloë brought me to a massive orgasm.

Next, she led me off to one of the little treatment rooms, and bolted the door behind us. Then she dropped her robe to show she was naked except for a strap-on!

She spread a towel on top of the massage table and bent me forwards over it, rubbing her smooth body against my back. A little shiver went through me as her fake prick brushed against my inner thighs, then she pushed it into my cunt and began to fuck me.

She was ploughing me so hard we didn't need steam to work up a sweat, then as we heard a knock on the door she tensed, and started fucking me even harder and faster. My snatch was already stretched and throbbing, then she reached round under me to give my clit a tickle. I grabbed a corner of the towel and stuffed it in my mouth, gagging myself as I screamed with pleasure.

We walked out bold as brass, Chloë telling the rather annoyed masseuse waiting outside that I'd felt a bit faint after too long in the sauna. If she'd only know what was bobbing about underneath that robe, still coated with my juices…
